CHICAGO STADIUM CORPORATION

# ARTHUR M. WIRTZ

***Chairman***

Arthur M. Wirtz, Chairman of the Board of the Chicago Blackhawks, has been associated with hockey since 1932 when he and his associates bought the Detroit Red Wings. It was always the ambition of Mr. Wirtz and his associates to own a hockey club in their native city, and this opportunity occurred in 1954 when they acquired the Blackhawks and sold their interests in Detroit.

Mr. Wirtz has been active in the management and development of the National Hockey League and the growth of hockey in the United States. In 1971 he was elected to the Hockey Hall of Fame in recognition of his contributions to the sport.

Closely allied with the Blackhawks is the operation of Chicago Stadium. Mr. Wirtz has been instrumental in seeing that its facilities have been up-dated through the years with the addition of air conditioning, new seating and washrooms and expanded parking.

In 1935 Arthur M. Wirtz started the first major professional ice show in this country in the Chicago Stadium. The show was acccepted with moderate success and in 1936 he brought Sonja Henie to America. She had just won the 1936 Olympics, thereby giving her three Olympic championships and ten consecutive World Championships and became the star in his Hollywood Ice Revue.

This show was an immediate success and set box office records for over 15 years.

As a native Chicagoan, Mr. Wirtz is interested in Chicago "The City that Works" and is a Founder Member of the Board of McCormick Place and of Chicago Urban Transportation District.

A devoted family man, he and his wife, Virginia, have four children, ten grandchildren and six great grandchildren.

# WILLIAM W. WIRTZ

***President***

Since taking over as president of the Black Hawks in 1967, William W. Wirtz has found himself more and more involved in the operations of hockey.

While he makes himself available for day to day decisions about his own team, he also has spent many long hours dealing with hockey problems on the league level. Bill was unanimously re-elected Chairman of the NHL Board of Governors at the summer meetings and has begun serving his fifth term of two years.

In that capacity he must deal daily with such matters as player negotiations, expansion, and the myriad of problems that develop on the international hockey front.

Bill has taken an active part in hockey and the Black Hawks since his graduation from Brown University in 1950.

For his many contributions to hockey and the NHL, he was elected to Hockey's Hall of Fame in 1976, joining his father who was elected to the Hall in 1971. They are the only living father-son combination in the Hall of Fame.

Along with his father, Arthur, and brother, Michael, Bill is very active in harness racing both as breeders and in the racing end of the sport. One of their greatest breeding accomplishments was the development of Governor Skipper which was named pacer of the year in 1977 after establishing 12 world records. Fortune Teller, son of Governor Skipper, won the world's richest harness race, the $1,957,500 Woodrow Wilson pace at Meadowlands this past summer.

Bill and his wife, Joan have five children and two grandchildren.

# MICHAEL WIRTZ

***Vice President***

Having been vice president of the Black Hawks since 1958, Mike Wirtz finds himself completely involved in the team. No one suffers more when the team is having a bad streak and no one enjoys himself more when things begin to go the right way.

His enthusiasm for the Black Hawks and the game of hockey makes Mike invaluable. If he thinks there is something that can help a player or a group of players or any one else connected with the Black Hawks, you will find Mike spending his lunch hour or a long evening working on the details to get things going.

He works closely with his brother Bill and Vice President Tommy Ivan on the many hockey problems that develop at all levels. He is never too busy to lend a helping hand.

His own boys were very active in amateur hockey and Mike even pitched in to help with the coaching, at the Glenview rink.

He is a graduate of the Wharton School of Commerce at the University of Pennsylvania. He and wife, Sunny have three children.

# THOMAS N. IVAN

***Vice President***

Serving in almost every capacity during his more than 50 years in hockey, Tommy Ivan is one of the most knowledgable people in the game.

After winning six straight league championships and three Stanley cups as coach of the Detroit Red Wings, Tommy came to the Black Hawks as general manager in 1954. He served more than 25 years with the Chicago team and brought them from virtual obscurity to one of the most respected franchises in the NHL. He managed the team to a Stanley Cup in 1961 and has seen his Hawks go to the Finals of the Playoffs in 1962, 65, 71 and 73.

One of Tommy's proudest accomplishments is the growth of college hockey in the U.S. He was one of the first NHL executives to see the potential of colleges and has long been one of the biggest boosters of that phase of the sport.

He was elected to the Hockey Hall of Fame in 1974 and two years ago was named a director of the U.S. Hockey Hall of Fame. In 1975 he was awarded the Lester Patrick trophy for his contributions to hockey in the United States. He is also on a selection Committee of the Hall of Fame in Toronto.

As chairman of the organizing committee for the 1978-79 Olympic hockey festival Tommy and his committee were instrumental in bringing more than 90 U.S. players together for Coach Herb Brooks and his staff to select the team that went on to thrill the entire hockey world with their 1980 GOLD Medal in Lake Placid.

After a quarter century as Black Hawk general manager, Tommy has served as vice president, assistant to the president and alternate governor for the team for the past five years.

He and his wife, Dorothy live in the northern suburbs.

## ROBERT J. PULFORD

### General Manager

Bob Pulford once again proved that he doesn't have to take a back seat to any one when it comes to coaching or running a hockey team behind the bench.

Taking over as coach for the last 27 games of the season, Pulford turned the Hawk fortunes around to the point that they went to the Stanley Cup semi-finals.

He had served as coach in Los Angeles for five years and spent the first two years in Chicago as both coach and general manager and had hoped that his coaching days were behind him. But when necessity put him back behind the bench, the team responded.

As general manager, Pulley is finally seeing some of his long hours behind the desk paying off, too. The Hawks' Moncton team won the AHL title and playoffs last year and some of the kids are developing right on schedule.

Pulford was named coach of the year in Los Angeles in 1974-75 and again in 1977-78 the Hockey News bestowed the same honor on him as Hawk coach.

Usually a quiet, low key operator, Pulley "dies" with the fans when the team goes into a slump; but hopefully the toughest days are now behind him as his rebuilding efforts are beginning to pay off.

Bob and his wife Rosalyn live in a north side suburb with their three children.

## JACK DAVISON

***Asst. General Manager***

With more than 20 years in the Black Hawk organization, including many of those as the Hawks' chief scout, Jack Davison joins with Bob Pulford to give the team one of the best 1-2 combinations in sports management.

Jack, because of his years of scouting experience, naturally oversees the team's scouting operation and supervises the NHL draft each summer.

He makes his headquarters in his home in Toronto, but spends many weekends in Chicago and is always only a phone call away when G.M. Pulford needs his help on a problem.

A good athlete in his own right, Jack had a tryout with the Braves' organization as a first baseman. He also is one of Canada's top golfers. His duties with the Black Hawks made it necessary for him to devote almost all of his time to hockey, so he doesn't get to play golf as much as he once did.

He has coached or played at every level of amateur and professional hockey over the years.

He and wife, Isobel have three children.

## ORVAL TESSIER
*Coach*

"Where ever he has been, his teams were winners."

This is the word on Orval Tessier, who takes over the coaching chores for the Black Hawks.

His first season as a professional coach found Orval taking the New Brunswick Hawks to the American League championship and then to the Calder Cup title in the Playoffs.

Before that he had won the Memorial Cup with Cornwall and took Kitchener and Chicoutimi to the Memorial Cup Finals. In seven years at Cornwall Orval amassed a record of 255-114-45 for better than .600.

A native of Cornwall, right on the border between Ontario and Quebec, Orval speaks both English and French fluently. Two present Black Hawks, Rick Paterson and Bob Murray played for him at Cornwall.

While he wants his players going both ways, you can't call him a "defensive coach". When his Moncton team scored 70 more goals than the closest rival last year, the Tessier defense was by far the best in the American league.

He and his wife, Charlotte have four children; Adele McCloud, who is a nurse; Andre, who just graduated from college; Michael, and Julie, who just finished high school and will start her college work this fall. They also have two grandchildren, Christopher and Melissa.

Orval played two years for the Boston Bruins and had four NHL games with Montreal back in the late 50's and early 60's. He was a high scoring junior, scoring 59 goals for Kingston one year.

# CLIFF KOROLL

***Assistant Coach***

Only eight Black Hawks have scored more than the 208 goals that Cliff Koroll had in his 11 years as a right wing on the Hawks.

He joined the team in 1969-70, the year Kenny Wharram was forced to retire because of a heart problem. And Cliff was given the job of filling those huge skates worn by Wharram, one of the all time great right wingers.

Cliff did such a good job that the Hawks went on to win the Prince of Wales trophy as the top team in the NHL, after finishing in last place the year before.

He retired two years ago to become an assistant coach and has served in that job ever since. He will be assisting Orval Tessier this season, which means Cliff will be seen working with the wings at practices, making trips to other NHL cities to scout upcoming teams coming into the Stadium, and filling in wherever needed.

A quiet gentleman, Cliff has the dedication needed to help the Black Hawks in any manner either Tessier or G.M. Bob Pulford ask. A graduate of Denver University, Cliff is one of the many players developed from U.S. college ranks.

He and wife Lynnae have three children, Jason, C.J. and Amanda. They live in the western suburbs.

## MURRAY BANNERMAN

GOALTENDER
Shoots left 5'11" 184 lbs.
Born: St. Francis, Ont.
April 27, 1957

Last season's Playoffs proved to be Murray's finest hour. After spending most of the season and all of the year before as the backup to Tony Esposito, Bannerman finally got his chance in the opening rounds of the Stanley Cup and for 120 minutes on foreign ice played the kind of Goal that Black Hawk fans had come to expect from the likes of Glenn Hall or Tony O himself.

Murray held Minnesota's high powered scoring machine at bay in the first two games, much of the time while the Hawks were short handed to allow the Hawks to return home with a 2-0 lead in the five game series. He continued to play well the rest of the way, but those first two games really turned the tide.

Obtained for Pit Martin from Vancouver, Murray played two years in the AHL for New Brunswick before coming to the Hawks.

He and his wife, Liz, have a young son, Dana, born last winter. He helps out on the summer softball circuit.

# KEITH BROWN

DEFENSE
**Shoots right 6'1" 192 lbs.**
**Born: Cornerbrook, Newfoundland**
**May 6, 1960**

In his third year with the Black Hawks, Keith was on his way to one of his better years when he was hit with a knee injury that meant surgery just before Christmas. So he missed more than half the season. He got back to play in four Cup games and showed that his knee is fully recovered.

A graduate of the Portland junior team, Keith came to the Hawks as their No. 1 draft choice in 1979 and made it big with the Hawks although he was only 19. A good puck handler as well as solid checker, Brown was sorely missed while he was out last year. His return makes the Hawks a better team if they did nothing else during the summer.

Keith is still single and owns his home in the western suburbs. Plays softball and golf in the off season.

Won the NHL Arm Wrestling Championship in Las Vegas during the summer.

## Kurtenbach Coach of AHL Springfield Team

Orland Kurtenbach, veteran of 11 years in the NHL as a center for Rangers, Boston, Toronto and Vancouver, was named the coach of the Black Hawks' American League farm team in Springfield, Mass.

The Springfield Indians are replacing the New Brunswick franchise which finished first in the regular season and won the Calder Cup in the Playoffs under Orval Tessier.

Kurtenbach was named coach of the year in the Central League after winning the Adams Cup with Tulsa in 1975-76. The next year he was called up to take over the coaching duties for Vancouver and spent two years there.

A rugged hard nosed player, Kurtenbach was considered one of the best fighters in the league when he was playing. He also scored 119 goals and 332 points in his 11 NHL years.

While playing for the Buffalo Bisons of the AHL in 1959, he played 40 minutes in goal after the regular goalie was injured.

Springfield will have the Black Hawks as their sole affiliate in the coming year. The Hawks and Toronto split the sponsorship of the New Brunswick franchise.

One of the best men with the puck on the team. Had to play off side because of injuries to Keith Brown and Bob Murray, but held his own in his rookie season.

Although used sparingly scored 12 goals on the blue line. Had big years in New Brunswick before joining Hawks. Was 6th round pick in 1980.

# TONY ESPOSITO

**Goaltender**
**Shoots right 5'11" 185 lbs.**
**Born: Sault Ste. Marie, Ont.**
**April 23, 1943**

When you mention the name of Tony Esposito it is the same as saying Rolls Royce when you are shopping for a new car.

The Esposito name ranks in Chicago sports with that of Bronko Nagurski, Red Grange, Gabby Hartnett, Ernie Banks and George Mikan, among the sports greats.

He has played nearly 50,000 minutes in Black Hawk nets and has 74 shutouts, most of any active goalie. Add to that 6 playoff shutouts, most of any Black Hawk goalie. His 15 shutouts in his rookie year is a feat that may never be topped by any goalie, much less a rookie. He did it in 1969-70 when he began playing for the Hawks. It helped the team move from last place the year before to the NHL title and the Prince of Wales trophy.

While he is 39 years old, he still feels he can give the Chicago fans a couple more good years.

He and wife Marilyn own their home in Elmhurst. They have two sons, Mark and Jason. Tony became a U.S. citizen last year in time to help the U.S. team in the Canada Cup.

Another of the many Black Hawk players who played their amateur hockey in a U.S. college, Dave proved his worth when the Hawks really needed him.

After both Keith Brown and Bob Murray had knee surgery in mid season the Hawks, S.O.S.'ed their Moncton farm and Feamster showed up and not only did a yoeman job, but earned himself a permanent spot on the team.

Born in Detroit, Dave is one of the many American players who have moved into the NHL. In his 1980-81 year in Dallas, Feamster was named the top defenseman in the Central League. He was an All-American at Colorado College.

Possibly the most under rated of all Black Hawks. A solid blue liner, Greg usually leaves the scoring to the Wilsons and Crossmans. However, he got a very big goal in the Playoffs against Minnesota when he clicked in overtime.

A graduate of Michigan, Greg represents the Big Ten with hard checks and good stick handling. He came to the Hawks as part of the 8-player deal with Atlanta in March of 1979. Since then he has missed only 15 games in three years.

Greg is married and he and wife, Susan, own their home in the Western suburbs.

## BILL GARDNER

CENTER
Shoots left 5'10" 170 lbs.
Born: Toronto, Ontario
March 19, 1960

One of the unsung heros of the Black Hawks surge last year. Bill does everything with the puck. A good penalty killer and a solid play maker, Gardner proved that he belongs in the NHL in his first season in the big time.

He had been plagued with injuries when he first turned pro but when he got back in action in the 80-81 season, he had 48 points in 48 games for New Brunswick, then got another 15 points in 13 playoff games.

So it was no surprise when he made the big club after a solid training camp.

Bill got married this summer and his old buddy Wayne Gretzky made it a point to be on hand for the ceremonies. They played together in juniors.

## TIM HIGGINS

RIGHT WING
Shoots right 6'1" 185 lbs.
Born: Ottawa, Ontario
February 7, 1958

Tim has scored 20 or more goals the past two seasons, but still has not hit the stride that everyone knows to be possible for him.

He was the Hawks' No. 1 draft choice in 1978 and at times shows all the potential of that honor. He is one of the better skaters in the NHL, and has a blistering shot. Hopefully, this will be the year Timmy will put it all together.

He and wife Jane live in the western suburbs. He likes to fish and play golf and he is one of the better pool players on the team.

## REG KERR

CENTER

**Shoots left** 5'10" 186 lbs.

**Born: Oxbow, Sask.**

**October 16, 1957**

One of those players who can fit in and play almost any position and do a solid job.

Reggie had a 30 goal season two years ago, but after starting out last year at almost the same pace, was injured and missed 21 games.

A good penalty killer, Reg can play either left wing or center. He actually began his hockey career as a defenseman, but hasn't played the blue line in the NHL yet.

Likes to make personal appearances and helps the Hawk publicity people with speaking engagements. He and wife, Beth, live in Elmhurst. He was obtained from Cleveland in 1977 for Randy Holt.

# TOM LYSIAK

**CENTER**
**Shoots left 6'1" 196 lbs.**
**Born: High Prairie, Alberta**
**April 22, 1953**

Possibly the best all around athlete on the team. Tommy is an important part of any hopes the Black Hawks have of winning their division or going all the way in the Playoffs.

One of the best stick handlers and play makers in the NHL, Tommy can play with almost any set of wingers and make them look a little better than they usually would.

His 82 points (32-50) tied his previous high (1975-76) and the 32 goals became his best personal year. He was drafted No. 2 after Denis Potvin back in 1973. He still holds the record for career goals by a member of the Flames.

Before coming to Chicago in the 8-player deal in 1979, Tommy could have been elected Mayor of Atlanta. He was one of the most popular athletes ever to play in the Peach country.

He has scored 20 or more goals in eight of his nine years and missed by only one when he scored 19 goals his first season with Atlanta.

Besides being one of the steadier centers on the team, Tommy spends a lot of his time killing penalties. His puck handling and experience are invaluable in so many ways.

He still spends his summers on his Georgia farm. He loves to hunt and fish. He was married in February and his wife's name is Melinda.

# PETER MARSH

RIGHT WING

**Shoots left** 6'1" 180 lbs.

**Born: Halifax, N.S.**

**Dec. 21, 1956**

One of the better skaters in the NHL, Peter shows signs of becoming a very valuable part of the Hawk machine. He played a very tight checking game in the Playoffs and came close to opening up games with his hard shot and aggressive play.

He was drafted 29th overall by Pittsburgh in 1976. Played three years in the WHA where he had nearly 100 goals, but has never had the same scoring success so far in the NHL.

At 25 Peter still has time to blossom and if things started clicking for him, he could become more than just a journeyman player.

He and Keith Brown could pass for twins. Peter spends his summers in North Carolina where he golfs and plays softball most of the off season. He was married during the summer.

# GRANT MULVEY

RIGHT WING

**Shoots right 6'3" 202 lbs.**

**Born: Sudbury, Ont.**

**September 17, 1956**

Grannie joined the Black Hawks when he was only 17 and is now entering his ninth year in the Windy City.

His size and strength make him a dangerous forward, but he has never quite lived up to his status as the No. 1 draft choice back in 1974.

Two years ago he blossomed with 39 goals and it looked like another year of the same when he had 18 goals before Christmas when he broke his leg in 1980.

Last season he had 30 goals, not a bad year for most players, but you always had the feeling that Grannie could do even better.

He has the honor of scoring the most goals of any Black Hawk in a single game, notching 5 against the Blues on Feb. 3, four of them coming in the first period. He also had 2 assists for a 7-point game.

He is married and he and wife, Pam, have a son, Kyle Patrick.

# BOB MURRAY

DEFENSE
**Shoots right 5'10" 183 lbs.**
**Born: Kingston, Ontario**
**November 26, 1954**

After seven years with the Black Hawks, many people take Bob Murray for granted. He's always there when you need him. He is one of the better point men on the power play; takes his man out when defending his end, passes and skates the puck out of his zone with the best of them.

Most of all, "Murph" is a complete team player. His quiet way of getting his point across makes him very important to the entire squad.

Last year when he injured his knee and needed surgery on Christmas Eve, the fans began to appreciate him when he wasn't around to help out. Bobby got a standing ovation when he returned to the ice in mid-March and he played an important part in the Hawks' Playoff success.

He is a protege of Orval Tessier, having captained the Memorial Cup team at Cornwall before the Hawks drafted him third in 1974.

Bob and wife Pat have a son, Kevin, and a daughter, Amanda Jane born June 2nd. They live in Elmhurst.

## TROY MURRAY

**CENTER**
**Shoots Right 6'1" 195 lbs.**
**Born: Edmonton, Alb.**
**July 31, 1962**

Here is a young man who could be the best college trained player the NHL has seen to date.

Drafted in the 6th round by the Black Hawks in 1980, G.M. Bob Pulford encouraged Troy to finish his schooling. Not only did the Edmonton youngster follow instructions academically, but he went on to help North Dakota U. win the NCAA championship last spring. At Christmas time, he went to Europe with the Canadian junior team and helped Canada win their first World Championship since the early 50's.

A center with good size, Troy gives you the impression he has been in the league for 10 years although he has played only one NHL game in the regular season.

He was studying business administration and engineering and made the Dean's list in his freshman year while also being named the rookie of the year in the NCAA.

He has worked out an arrangement with the school to finish his courses in the summer so he can help the Black Hawks the rest of the time.

Last season he had 13-17-30 in 26 college games.

TIM HIGGINS CONNECTS

# RICK PATERSON

RIGHT WING — CENTER
**Shoots Right** 5'9" 187 lbs.
**Born: Kingston, Ont.**
**February 10, 1958**

Possibly the most underrated player on the Black Hawks, is Rick Paterson. Not only is he one of the fastest skaters on the team but also one of the strongest when it comes to play along the boards.

He was sent back to New Brunswick after training camp last year, but didn't let it get him down. He returned to the team around Christmas time because of the many injuries on the team and played himself into a steady job.

Rick is one of Orval Tessier's former pupils from their days together in Cornwall. Rick, while not a big goal scorer, has a way of picking up short handed goals at just the right time. In fact, of his four goals scored in the past two playoff years, three have come shorthanded. His first regular season NHL goal was also shorthanded.

Rick is very valuable in killing penalties or checking one of the opposing team's big guns.

Rich is one of those unsung heroes who goes out and does his job and you don't notice him until, for some reason, he might not be there.

One of the better checkers in the league, Rich has also had some good scoring years. He had 133 goals in five years in the WHA and scored 31 his first year with the Hawks. His last two seasons because of injuries to himself or his linemates, he has had seven and 15 goals.

He and wife, Laura, live in Elmhurst. He is an accomplished banjo player and a very good softball player.

## FLORENT ROBIDOUX

LEFT WING
Shoots left 6'3" 190 lbs.
Born: Cypress River, Man.
May 5, 1960

Big Robey was destined to finally break into the NHL this year but fate played a terrible trick on him. While driving to Florida, on his honeymoon, Robey and his wife were broad sided by another car. He suffered a severely broken leg and isn't expected to be ready for action until late in the season.

He led the AHL in Playoff goals last year when New Brunswick won the Calder Cup, scoring nine times and getting 10 assists.

# TERRY RUSKOWSKI

CENTER
Shoots left 5'10" 178 lbs.
Born: Prince Albert, Sask.
December 31, 1954

Captain Rosko is one of those guys that you like to have on your side when things get rough. A good puck handler and hard worker in the corners, he is also a natural leader.

He was drafted fourth in 1974, but opted for the WHA. The Hawks got him back in the expansion proceedings and he has been a valuable member of the team the past three years. He had knee surgery two summers ago, but is now back at 100 percent.

Spends a lot of his off hours helping his teammates and setting up publicity calls. Nothing is too unimportant for Rosko to look after when it comes to helping the team.

He and wife Carol, a Texas beauty queen, have their own home in Northbrook. They also have a daughter born a year and a half ago. Her name is Jill Morgan.

FACE OFF!

# DENIS JOSEPH SAVARD

**CENTER**
**Shoot right 5'10" 167 lbs.**
**Born: Pt. Gatineau, Que.**
**February 4, 1961**

With 60 goals and 194 points in only two pro seasons, Denis Savard is certainly one of the very bright lights in the Black Hawk future.

Only 22 years old, Denis should be good for enough seasons to make Hawk fans forget any of their past favorites. Last season, Denis notched 119 points for a team record and his 87 assists shattered a Stan Mikita milestone.

He was the Hawks' No. 1 choice in the 1980 draft, third overall. He went right into the Hawk lineup and had 28 goals and a Hawk rookie record of 75 points his first season. Last year, he became only the second Hawk in history, to score 100 points or more.

It isn't just his totals that are impressive, but the way he accomplishes them. Although one of the smaller players in the league, his skating and stick handling mesmerize the fans and even opposing players.

He spends his summers in native Montreal, but owns his home in the western suburbs.

DENNY ON THE GO!

# AL SECORD

**Left Wing**
**Shoots Left 6'1" 205 lbs.**
**Born: Sudbury, Ont.**
**March 3, 1958**

Only Bobby Hull has scored more goals in a season for the Black Hawks than Big Al. His 44 goals last year were one of the highlights of the season.

He has 303 penalty minutes to make him the highest scoring player with more than 300 minutes. He also set a Hawk mark with that total. A good boxer, he likes to mix it up but never starts things himself.

While Big Al has the reputation of being rough and tough on the ice he is one of the easiest going people you could meet when he is off the ice. His big smile and quiet tone belie his competitive nature when the first puck is dropped. It's a rare day when Al doesn't go out of his way to say "thank you" for some small favor.

He was the Bruins' 1st draft choice in 1978 but was traded for Mike O'Connell, December, 1980, a deal that has been "good for both teams" in the true sense of an over used phrase.

BIG AL GIVES WHALE A KISS

# DARRYL SUTTER

Left Wing
Shoots left 5'11" 175 lbs.
Born: Viking, Alberta
August 19, 1958

Louis Sutter, hard working farmer from Viking, Alba., in western Canada is a great great nephew of the famous Sutter who discovered gold in 1848 and started the most famous Gold Rush of all time.

But he will go down in history as the greatest sire in sports with six sons in the NHL. There have been many famous fathers with more than one great player in the NHL, like the Patricks, Conachers, Howes, Hulls, Mahovliches, Cooks, Bentleys, but Louie Sutter can claim six progeny in the league and all of them in or near the superstar class. The oldest of seven boys, Gary, coaches in junior hockey.

The Black Hawks' Darryl was the second of the famous clan to break into the league and scored 40 goals in his rookie year. Last year he suffered various injuries mainly to his elbow which needed surgery. Playing only 40 games he picked up 23 goals which would have been a better pace than his 40 goal season.

Besides Darryl, there's Brian, Capt. of St. Louis; Duane and Brent on the Islanders and this summer, twins Ron and Rich were drafted by the Flyers and Penguins, respectively.

All play the same way, as though they were stamped from a huge mold . . . digging, hitting, throwing elbows, always in the middle of the action wherever it may be.

Even with all the famous Sutters, the Black Hawks are proud of their Sutter. With a healthy season there is no telling how far he will take them.

All the Sutters spend the summers together on their dad's farm in Viking, but when hockey season starts, the fishing and hunting and wheat gathering is left behind in quest of goals and victories.

Darryl and his wife, Wanda, live in the Elmhurst area during the season. He spent a year playing hockey in Japan before joining the Hawks' farm team in New Brunswick in 1979. In 1979-80, he was named rookie of the year in the AHL.

# TONY TANTI

RIGHT WING
**Shoots Left 5'9" 190 lbs.**
**Born: Toronto, Ont.**
**September 7, 1963**

After breaking many of Wayne Gretzky's records in '80-81, when he scored 81 goals, Tony had a couple of fluke injuries that kept him out of 23 games last season.

So Tony had "only" 62 goals and 126 points in the 57 games he played for Oshawa. He had been drafted as the Hawks' first choice in the 1981 draft, and after a solid training camp, General Manager Bob Pulford made a tough decision. He sent Tony back to his junior team so that he could mature without the pressure of NHL.

He will be only 19 when he comes to his second Hawk training camp this year and the betting is he will probably make it this year.

Wherever he has played, Tony has developed into one of the top stars. A natural goal scorer, his size sometimes kept scouts from getting too excited about him, but later they always wished they had paid more attention.

Tony has undergone a weight lifting program to develop his body and strengthen his arms and legs for the gruelling hockey campaign. It has brought his weight up to more than 190 lbs., although he is only 5'9".

Besides his hockey ability, Tony is one of the better soccer players in Canada.

# DOUG WILSON

DEFENSE
Shoots Left 6'1" 187 lbs.
Born: Ottawa, Ontario
July 5, 1957

In his fifth year as a Black Hawk, Doug Wilson blossomed into the premier defenseman that everyone had in mind when he was the Hawks' No. 1 draft choice in 1977.

After four very good years, Doug was named the Norris Trophy winner and member of the first All-Star team after last season. He became the first Hawk blue liner to win the Norris trophy since Pierre Pilote did it in 1965. Pilote has won the trophy three straight years.

That's Wilson with Pilote presenting him the trophy on the cover of this Press Guide. The ceremonies were held in Montreal on June 8.

Doug had 39 goals, most by any defenseman except in 1974-75, when Bobby Orr scored 46. But even those glamorous figures would probably have been bigger, if Doug had not suffered a broken jaw in November, missing four games and then playing with his jaw wired for almost a month. He lost nearly 20 pounds, because he was unable to eat solid foods.

He enjoys golf and softball in the off season. Doug suffers from Hyperglycemia, which means he must watch his diet very closely, and this puts a special burden on his wife, Kathy. Doug credits Kathy with keeping him fit by taking the time and patience to make the special dishes he needs.

Doug's dad was a Canadian Air Force officer and thus his family lived in many places while he was growing up, including several years in England. Doug was the last player signed by Tommy Ivan before he moved up to V.P.

# KEN YAREMCHUK

CENTER

**Shoots Right** 5'11" 185 lbs.

**Born: Edmonton, Alb.**

**January 1, 1964**

Ten minutes into the New Year of 1964, Kenneth William Yaremchuk made his debut as the fifth child born to Olga and John of Edmonton.

Rumors have it that Jack Davison, then chief scout for the Black Hawks was at center ice with pen in hand. Now, 18 years later, Kenny brings a record of 157 points (58-99) to his first Black Hawk training camp.

In his two years in Portland, Yaremchuk had 107 points and 157, so it was no wonder, he was rated among the top eligibles in the 1982 draft. His brother, Gary, was a top pick for Toronto two years ago. Ken had requested that he not be drafted by the same team as Gary because, "it would seem we were competing against each other for a job."

Ken played fullback on the high school football team and was very good, but passed up an opportunity to continue in that sport because hockey was his first love.

Ken was nicknamed "Weasel" in his first year in Portland, because of his quick, sleek moves in the corners. It quickly caught on with the fans.

## PAT FOLEY

**WIND NEWS 56**

**Play by Play**

In keeping with their youth movement, Pat Foley earned as many accolades as rookie of the year as the Hawks' other two youngsters, Denis Savard and Darryl Sutter did two years ago.

While Savard and Sutter were doing it on the ice, Foley was giving Hawk fans one of the most exciting play by play broadcasts in the NHL. He will be back this year with the Black Hawks' radio station, WIND, News 56, for his 3rd season.

Foley, 27, grew up in Glenview and was "discovered" by Michael Wirtz, Hawk vice president who listened to a few of Pat's tapes of games he did for the Grand Rapids Owls of the International League where he worked for 2½ years.

Pat developed his radio interest after being introduced to the late, great Jack Quinlan at a Cub game. Quinlan, who was killed in an auto accident several years ago, had been the Cubs announcer and was nice enough to show Pat around the Wrigley Field booth. "That's when I fell in love with broadcasting," Pat says.

While attending Michigan State University, Pat did baseball and hockey for local radio stations and continued his Grand Rapids connections during the past summer.

He admits his hero has always been Lloyd Pettit, who was the "voice" of the Black Hawks for many years before retiring to Milwaukee where he owns the Admirals, in the Internatinal League.

Besides having a good voice and a very good knowledge of the game, Pat keeps the play moving and enjoys the excitement, making every game sound like the seventh game of the Stanley Cup Finals.

Pat plays a lot of softball in the summer. He helped the Hawks with some great catches during their tournament in Niagara Falls.

He is a graduate of Loyola Academy on the north shore as well as MSU.

**UNBALANCED SCHEDULE:**

Each of the 21 teams will play an 80-game schedule with those teams in the Smythe, Norris and Adams Divisions having eight games (four home, four away) against each of their Divisional opponents, plus three games against each of the remaining 16 teams in the League. In the case of the three games against the remaining clubs, teams will play two home, one away or vice-versa, alternating the extra home game each year.

The six clubs in the Patrick Division—New Jersey, New York Islanders, New York Rangers, Philadelphia, Pittsburgh and Washington—will play each other seven times with three games against each of the remaining 15 teams. The home-ice differential will be alternated each season.

**STANLEY CUP PLAYOFFS:**

At the conclusion of the regular schedule, the top four finishers in each of the Divisions will qualify for the Stanley Cup playoffs.

The opening round features divisional playoffs that will have the first place club oppose the fourth-place team and second versus third in the best-of-five series. The winners of each series will advance to a best-of-seven Divisional Final series with the team gaining higher standing during the regular-season holding home-ice advantage.

The four divisional winners will meet in a best-of-seven Conference Championship. The Smythe Division victor will face the Norris Division champion in the Campbell Conference championship, while the Patrick Division victor will oppose the Adams Division winner for the Prince of Wales Conference title. The Conference winners will meet in a best-of-seven final series for the Stanley Cup.

Home-ice advantage for the semi-final and final rounds will be alternated each season according to Division and Conference. For the 1982-83 season, the Adams and Smythe Division winners will gain home-ice advantage in the Conference Championships, while the champion of the Campbell Conference will hold home-ice advantage in the Stanley Cup Final.
